BIBLIOGRAPHY AND INDEX OF ILLINOIS GEOLOGY

SERIALS LIST

- AAPG Bull.** AAPG (American Association of Petroleum Geologists) Bulletin. Tulsa.
- AAPG Bulletin.** [Tulsa, Okla.: American Association of Petroleum Geologists].
- Annual Field Conference - Society of Economic Paleontologists and Mineralogists, Great Lakes Section.** [s.l.]: Society of Economic Paleontologists and Mineralogists, Great Lakes Section.
- Annual Tri-State Geological Field Conference Guidebook.** Iowa City: Iowa Geological Survey.
- Austria, Geol. Bundesanst., Abh.** Austria, Geologische Bundesanstalt, Abhandlungen. Vienna.
- Bureau of Mines Report of Investigations.** Washington, D.C.: Bureau of Mines, Department of Interior, 1919-.
- Circular - Illinois State Geological Survey.** Urbana: Illinois State Geological Survey, 1906-.
- Circular Series - West Virginia Geological and Economic Survey.** Morgantown, W. Va.: West Virginia Geological and Economic Survey, 1965-.
- Document - Illinois Institute of Natural Resources.** Chicago, Ill.: Institute of Natural Resources.
- Earth Science.** Colorado Springs, Colo.: Richard M. Pearl.
- Earthquake Notes.** Earthquake Notes (Seismological Society of America, Eastern Section). Cambridge, Massachusetts.
- Ecological Monographs.** Durham, N. C.: Ecological Society of America [by the] Duke University Press, 1931-.
- Econ. Geol.** Economic Geology and the Bulletin of the Society of Economic Geologists. New Haven, Connecticut.
- Engineering Bulletin (Los Angeles).** Los Angeles, Calif.: Dames and Moore.
- Environmental Geology Notes.** Urbana: Illinois State Geological Survey, 1965-.
- Geol. Mag.** Geological Magazine. Cambridge, England.
- Geol. Soc. Am., Abstr. Programs.** Geological Society of America, Abstracts with Programs. Boulder, Colorado.
- Geological Survey Professional Paper** (Washington, D.C.). Washington, D.C.: U.S. Government Printing Office, 1902-.
- Geophys. J. (R. Astronom. Soc.).** Geophysical Journal (Royal Astronomical Society). Oxford.
- Ground Water.** Urbana, Ill.: National Water Well Association, Ground-Water Technology Division.
- Ill. Miner. Notes.** Illinois Mineral Notes. Illinois State Geological Survey, Urbana.
- Ill., State Geol. Surv., Circ.** Illinois, State Geological Survey, Circular. Urbana.
- Ill., State Geol. Surv., Guide Leaflet.** Illinois, State Geological Survey, Guide Leaflet. Urbana.
- Ill., State Geol. Surv., Ill. Pet.** Illinois, State Geological Survey, Illinois Petroleum. Urbana.
- Ill., State Geol. Surv., Ind. Miner. Notes.** Illinois, State Geological Survey, Industrial Minerals Notes. Urbana.
- Ill., Water Surv.-State Geol. Surv., Coop. Resour. Rep.** Illinois, Water Survey-State Geological Survey, Cooperative Resources Report. Urbana.
- Illinois Mineral Note.** Urbana: Illinois State Geological Survey Division, Illinois Institute of Natural Resources, 1972-.
- Illinois Petroleum.** Urbana: Illinois State Geological Survey, 1926-.
- Indian Natl. Sci. Acad., Proc., Part A.** Indian National Science Academy, Proceedings, Part A, Physical Sciences (*continuation of National Institute of Sciences of India, Proceedings, Part A, Physical Sciences*). New Delhi.

- Int. Geol. Congr. Abstr.--Congr. Geol. Int.,
Resumes. International Geological Congress,
Abstracts--Congres Geologique Internationale,
Resumes.
- International Congress on Sedimentology. [s.l.]:
International Association of Sedimentologists.
- Iowa Acad. Sci., Proc. Iowa Academy of Science,
Proceedings. Des Moines.
- J. Geol. Educ. Journal of Geological Education.
Lawrence, Kansas.
- Jewelry Making Gems & Minerals. Mentone, CA:
Gemac Corporation.
- Journal of Geology. Chicago, Ill.: The
University of Chicago Press, 1893-.
- Journal of Paleontology. Tulsa, Okla.: Society
of Economic Paleontologists and Mineralogists,
1927-.
- Journal of Sedimentary Petrology. Tulsa, Okla.:
Society of Economic Paleontologists and
Mineralogists, 1931-.
- Journal of the Environmental Engineering
Division. New York, N.Y.: American Society of
Civil Engineers, Environmental Engineering
Division, 1973-.
- Journal of the Hydraulics Division. New York, N.
Y.: American Society of Civil Engineers,
Hydraulics Division, 1956-.
- LA - Los Alamos Scientific Laboratory. Los
Alamos, NM: Los Alamos Scientific Laboratory.
- Land Use Land Cover Maps, L-Ser. Land Use and
Land Cover Maps, L-Series. U. S. Geological
Survey, Reston, Virginia.
- Lapidary Journal. San Diego, Calif.: Lapidary
Journal, Inc., 1947-.
- Life Sciences Contributions - Royal Ontario
Museum. Toronto, Ont.: Royal Ontario Museum,
1968-.
- Lost Treasure. Bixby, Okla.: National Reporter
Publications, Inc.
- Memoirs of the American Philosophical Society.
Philadelphia, Pa.: The American Philosophical
Society, 1935-.
- Micropaleontology. New York, N. Y.: American
Museum of Natural History.
- Microsc. Acta. Microscopica Acta; Zeitschrift
fuer Wissenschaftliche Mikroskopie und
Mikroskopische Technik. Stuttgart.
- Mining Engineering. Littleton, Colo.: Society of
Mining Engineers of AIME, 1949-.
- Mo. Acad. Sci., Trans. Missouri Academy of
Science, Transactions. Columbia.
- The Nautilus. Haverstown, Pa.: [s.n.].
- Open-File Report (United States Geological
Survey, 1978). Reston, Va.: U.S. Geological
Survey.
- Palaeogeogr., Palaeoclimatol., Palaeoecol.
Palaeogeography, Palaeoclimatology,
Palaeoecology; An International Journal for
the Geo-Sciences. Elsevier Sci. Publ. Co.,
Amsterdam.
- Palaeontology. Palaeontology (Palaeontological
Association). London.
- Pap. - Geol. Surv. Can. Paper - Geological
Survey of Canada. Ottawa.
- Popular Science Series. Springfield: Illinois
State Museum, 1939-.
- Proc. Int. Conf. New Basement Tectonics.
Proceedings of the International Conference on
the New Basement Tectonics.
- Report of Investigation - Illinois State Water
Survey. Urbana: Illinois State Water Survey.
- Rockhound. Rockhound; Where and How to Find Gems
and Minerals. Carter/Latham, Conroe, Texas.
- Scanning Electron Microscopy. O'Hare, IL:
Scanning Electron Microscopy, Inc.
- Science (AAAS). Science (American Association
for the Advancement of Science). Washington,
D. C.
- Scientific Papers - Illinois State Museum.
Springfield: Illinois State Museum.
- Soc. Min. Eng. AIME, Trans. Society of Mining
Engineers of AIME, Transactions. New York.
- Soil Science. Baltimore, MD: The Williams &
Wilkins Company, 1916-.
- Special Publication - Society of Economic
Paleontologists and Mineralogists. Tulsa,
Okla.: Society of Economic Paleontologists and
Mineralogists.
- Special Report - Water Resources Center,
University of Illinois at Urbana-Champaign.
Urbana, Ill.: Water Resources Center,
University of Illinois at Urbana-Champaign.
- Symp. Rock Mech., Proc. Symposium on Rock
Mechanics, Proceedings.
- Technical Information Series - Iowa Geological
Survey. Des Moines: Iowa Geological Survey,
1976-.
- Transp. Res. Rec. Transportation Research Record
(National Research Council) (continuation of
Highway Research Record). Washington, D. C.

U. S. Geol. Surv., Open-File Rep. U. S.
Geological Survey, Open-File Report. Reston,
Virginia.

UCRL. Livermore, Calif.: Lawrence Livermore
Laboratory, University of California.

Water Resources Research. Washington, D.C.:
American Geophysical Union, 1965-.

BIBLIOGRAPHY AND INDEX OF ILLINOIS GEOLOGY

BIBLIOGRAPHY

- Adams, J. Rodger *see* Singh, Krishan P.
- Allen, A. S. *see* Paone, J.
- Allen, H. E., Jr.; Bejcek, R. M.; Liscum, Fred (investigators); *et al.* Flood-frequency study [abstr.]: Geological Survey Professional Paper (Washington, D.C.), No. 1175, p. 148-149, 1980 [1981].
- Anderson, Richard C. Geology for planning in Rock Island County, Illinois: Circular - Illinois State Geological Survey, No. 510, 35 p., illus. (incl. tables, sects., charts, geol. sketch map; geol. map 1:33,333; colored environ. geol. map 1:126,720), 59 ref., 1980.
- Anderson, Thomas F.; Brownlee, Mary E.; and Phillips, Tom L. A stable isotope study on the origin of permineralized peat zones in the Herrin Coal: *Journal of Geology*, Vol. 88, No. 6, p. 713-722, illus. (incl. table), 30 ref., November 1980.
- Anderson, Wayne I. The Tri-State geological field conference; a force in geological education for over forty years: *J. Geol. Educ.*, Vol. 28, No. 3, p. 124-131, illus. (incl. tables), 47 ref., May 1980.
- Anonymous. Illinois portion; Guidebook for a field trip on Silurian reefs, interreef facies, and faunal zones of northern Indiana and northeastern Illinois: *West. Mich. Univ., Dep. Geol., Kalamazoo, MI, United States*, variously paginated, 1976. Individual articles are cited separately; The Geological Society of America, North Central Section, April 30-May 2, 1976.
- Anonymous. Coal & Illinois industry; the impact of the National Energy Acts of 1978; conference proceedings: May 9-10, 1979, Chicago, IL, United States. Document - Illinois Institute of Natural Resources, No. 79-33, 53 p., tables, October 1979. Individual papers within scope are cited separately herein.
- Anonymous. State list of geologic and water-supply reports and maps; Illinois: March 1980. *available from*: U. S. Geol. Surv., Branch Distrib., Alexandria, VA, United States.
- Anonymous. Proceedings of a Conference on restoring man-made lakes in Illinois: Feb. 19, 1980, Urbana-Champaign, IL, United States. Special Report - Water Resources Center, University of Illinois at Urbana-Champaign, No. 11, 44 p., illus. (incl. tables), May 1980. Individual papers within scope are cited separately; The Illinois Institute of Natural Resources provided partial funding under Project No. 20. 133.
- Anonymous. Illinois [abstr.]: Geological Survey Professional Paper (Washington, D.C.), No. 1175, p. 117-118, 1980 [1981].
- Anonymous. Mining area subsidence research [abstr.]: Geological Survey Professional Paper (Washington, D.C.), No. 1175, p. 356, 1980 [1981].
- Ashby, J. F. *see* Cobb, J. C.
- Attanasi, E. D. (Investigator). Worth of geophysical and geological data and mineral supply [abstr.]: Geological Survey Professional Paper (Washington, D.C.), No. 1175, p. 20, 1980 [1981].
- Baird, Gordon C. Lithology and fossil distribution, Francis Creek Shale in northeastern Illinois: *in* Mazon Creek fossils (Nitecki, Matthew H., editor), Acad. Press, New York, NY, United States, p. 41-67, illus. (incl. strat. col., sect., sketch maps), 17 ref., 1979.
- Baird, Gordon C.; and Shabica, Charles W. The Mazon Creek depositional event; examination of Francis Creek and analogous facies in the Midcontinent region: *in* Middle and Late Pennsylvanian strata on margin of Illinois Basin, Vermilion County, Illinois, Vermilion and Parke counties, Indiana (Langenheim, Ralph L., Jr., editor; *et al.*), Annual Field Conference - Society of Economic Paleontologists and Mineralogists, Great Lakes Section, No. 10, p. 79-92, table, sects., sketch maps, 23 ref., 1980.
- Baker, R. G. *see* Van Zant, K. L.
- Bakr, Adel A.; Gelhar, Lynn W.; Gutjahr, A. J.; *et al.* Covariance and spectral analysis of hydraulic conductivity data [abstr.]: *Int. Geol. Congr. Abstr.--Congr. Geol. Int.*,

- Resumes, No. 26, Vol. 2, p. 842, 1980.
- Baldwin, J. L.; Sexton, J. L.; and Braile, L. W.** Crustal seismic studies related to the northeast extension of the New Madrid seismic zone [abstr.]: Geol. Soc. Am., Abstr. Programs, Vol. 12, No. 5, p. 218, February 1980. The Geological Society of America, North-Central Section, 14th annual meeting.
- Baldwin, James L.** A crustal seismic refraction study in southwestern Indiana and southern Illinois: Master's, 1980, Purdue Univ., West Lafayette, IN.
- Bannister, Timothy Allen.** Engineering geology assessment for the reclamation of an abandoned strip mine: Master's, 1979, Purdue Univ., West Lafayette, IN.
- Bansal, D. P.; and Goyal, R. N.** Thermodynamics of exchange in clays; nickel-exchange on Na- and Mg-illites: Indian Natl. Sci. Acad., Proc., Part A, Vol. 46, No. 5, p. 477-485, illus. (incl. 3 tables), 18 ref., September 1980.
- Bardack, David.** Fishes of the Mazon Creek fauna: in Mazon Creek fossils (Nitecki, Matthew H., editor), Acad. Press, New York, NY, United States, p. 501-528, illus. (incl. table), 25 ref., 1979.
- Barrows, M.; Cluff, R.; and Harvey, R.** Petrology and maturation of dispersed organic matter in the New Albany Shale Group of the Illinois Basin: in Proceedings; Third Eastern gas shales symposium (Barlow, H., editor), p. 85-114, illus. (incl. plates, sketch maps), 25 ref., 1979. (Rep. No. METC/SP-79/6) available from: NTIS, Springfield, VA, United States.
- Barrows, M. H.** Scanning electron microscope studies of samples from the New Albany Shale Group: Scanning Electron Microscopy, Vol. 1980, Part 1, p. 579-585, illus. (incl. 1 plate), 14 ref., 1980. Includes a discussion section.
- Barrows, M. H. see also Cluff, R. M.**
- Battelle Memorial Institute, Pacific Northwest Laboratory.** Research program at Maxey Flats and consideration of other shallow land burial sites: variously paginated, illus. (incl. tables), March 1981. (Rep. No. NUREG/CR-1832) available from: NTIS, Springfield, VA, United States. Individual papers are cited separately.
- Baxendale, R. William.** Plant-bearing coprolites from North American Pennsylvanian coal balls: Palaeontology, Vol. 22, Part 3, p. 537-548, 2 plates, 47 ref., July 1979.
- Baxter, J. W. see Goodwin, J. H.**
- Baxter, James see Cloos, Mark**
- Baxter, James W.** Factors favoring expanded underground mining of limestone in Illinois: Mining Engineering, Vol. 32, No. 10, p. 1497-1504, tables, sketch maps, 25 ref., October 1980.
- Baxter, James W. see also Collinson, Charles**
- Baynas, C. H.** The petrology and stratigraphy of the Cambrian strata in northeastern Illinois: Master's, 1976, Northern Illinois Univ., DeKalb, Ill.
- Bejcek, R. M. see Allen, H. E., Jr.**
- Bengal, Lawrence E. see Treworgy, Colin G.**
- Beresky, N. A. see Langenheim, Ralph L., Jr.**
- Berg, Richard C.** Land resources for beach nourishment along the Illinois shore of Lake Michigan: Environmental Geology Notes, No. 93 (Lake Michigan Studies No. 15), 28 p., illus. (incl. 5 tables, sketch maps), 31 ref., January 1981.
- Berg, Richard C. see also Gross, David L.**
- Berggren, D.; and Hunt, C. S.** A guide to the geology of the middle Illinois Valley; Putnam, Marshall, and Peoria counties, Illinois: Ill., State Geol. Surv., Guide Leaflet, 1978 C, 31 p., illus. (incl. sects., strat. cols., sketch maps), 15 ref., October 14, 1978.
- Berggren, D.; Larsen, J. I.; and Dixon, W. G., Jr.** A guide to the environmental geology of the Elmhurst-Naperville area, Du Page County, Illinois: Ill., State Geol. Surv., Guide Leaflet, 1978 B, 29 p., illus. (incl. strat. col., sect.), 12 ref., May 20, 1978.
- Bhagwat, S.** Oil: 1980; an analysis of the current situation from an international, national and Illinois perspective: Ill. Miner. Notes, No. 76, 12 p., illus. (incl. tables), 10 ref., May 1980.
- Bhowmik, N. G. see Kothandaraman, V.**
- Bhowmik, Nani G.** Lake sedimentation program of the Illinois State Water Survey: in Proceedings of a Conference on restoring man-made lakes in Illinois, Special Report - Water Resources Center, University of Illinois at Urbana-Champaign, No. 11, p. 27-28, May 1980.
- Bhowmik, Nani G.** Sedimentation in Iron Gates reservoir on the Danube; discussion: Journal of the Hydraulics Division, Vol. 107, No. HY5, p. 656-657, illus., 2 ref., May 1981. For reference to original article by Focsa, Vlad, see J. Hydraul. Div.-Am. Soc. Civ. Eng., Proc. Vol. 106, @ No. HY10, Oct. 1980.
- Bhowmik, Nani G.; and Schicht, Richard J.** Bank erosion of the Illinois River: Report of Investigation - Illinois State Water Survey, No. 92, 52 p., illus. (incl. 54 anal., 7

- tables, sects., sketch maps), 20 ref., 1980.

- EG&G Geometrics. Aerial gamma ray and magnetic survey, Chicago Quadrangle, Indiana, Illinois, and Michigan; final report: variously paginated, illus. (incl. geol. map 1:500,000; geochem. maps 1:500,000), December 1980. (Rep. No. GJBX-31-81) available from: U. S. Dep. Energy, Grand Junction Off., Grand Junction, CO, United States. National Uranium Resource Evaluation Program.
- EG&G Geometrics. Aerial gamma ray and magnetic survey, Indianapolis Quadrangle, Indiana and Illinois; final report: variously paginated, illus. (incl. geol. map 1:500,000; geochem. maps 1:500,000), March 1981. (Rep. No. GJBX-97-81) available from: U. S. Dep. Energy, Grand Junction Off., Grand Junction, CO, United States. National Uranium Resource Evaluation Program; includes microfiche.
- EG&G Geometrics. Aerial gamma ray and magnetic survey, Danville Quadrangle, Indiana and Illinois; final report: variously paginated, illus. (incl. geol. maps 1:500,000; geochem. maps 1:500,000), January 1981. (Rep. No. GJBX-41-81) available from: U. S. Dep. Energy, Grand Junction Off., Grand Junction, CO, United States. National Uranium Resource Evaluation Program; includes microfiche.
- EG&G Geometrics. Aerial gamma ray and magnetic survey, Davenport Quadrangle, Iowa and Illinois; final report: variously paginated, illus. (incl. geol. map 1:500,000; geochem. maps 1:500,000), February 1981. (Rep. No. GJBX-59-81) available from: U. S. Dep. Energy, Grand Junction Off., Grand Junction, CO, United States. National Uranium Resource Evaluation Program; includes microfiche.
- EG&G Geometrics. Aerial gamma ray and magnetic survey, Vincennes Quadrangle, Indiana, Illinois, and Kentucky; final report: variously paginated, illus. (incl. geol. map 1:500,000; geochem. maps 1:500,000), March 1981. (Rep. No. GJBX-95-81) available from: U.

- S. Dep. Energy, Grand Junction Off., Grand Junction, CO, United States. National Uranium Resource Evaluation Program; includes microfiche.
- EG&G Geometrics.** Aerial gamma ray and magnetic survey, Dubuque Quadrangle, Iowa, Illinois and Wisconsin; final report: variously paginated, illus. (incl. geol. map 1:500,000; geochem. maps 1:500,000), February 1981. (Rep. No. GJBX-64-81) available from: U. S. Dep. Energy, Grand Junction Off., Grand Junction, CO, United States. National Uranium Resource Evaluation Program; includes Microfiche.
- EG&G Geometrics.** Aerial gamma ray and magnetic survey, Racine and Grand Rapids quadrangles, Wisconsin, Illinois, and Michigan; final report: variously paginated, illus., geol. maps 1:500,000, geophys. surv. maps 1:500,000, July 1981. (Rep. No. GJBX-237-81) available from: U. S. Dep. Energy, Grand Junction Off., Grand Junction, CO, United States. National Uranium Resource Evaluation Program; includes microfiche.

sedimentary structures: Sandstone depositional systems in the

paleogeography--Mississippian

Orogenic provenance of Mississippian sandstones associated with Southern Appalachian-Ouachita Orogen (Mack, Greg H.)

paleogeography--Pennsylvanian

Paleogeomorphology affecting Early Pennsylvanian floras in Rock Island County, Illinois (Leary, Richard Lee)

paleogeography--Pleistocene

The glacial boundary in southern Illinois (Willman, H. B.)

paleontology

Amphibia: *Amphibamus grandiceps* as a juvenile dissorophid; evidence and implications (Bolt, John R.)

-- What stories a fossil can tell! (Johannesen, Dick)

Arthropoda: Coal age fossils from Mazon Creek (Carpenter, F. M.)

-- Evidence for subaerial activity of *Euproops danae* (Merostomata, Xiphosurida) (Fisher, Daniel C.)

-- Systematics and functional morphology of *Amynilyspes* (Arthropoda: Diplopoda) from the Carboniferous of North America (Hannibal, J. T.)

-- Systematics and functional morphology of oniscomorph millipedes (Arthropoda: Diplopoda) from the Carboniferous of North America (Hannibal, Joseph T.)

-- The centipedes (Chilopoda) of the Mazon Creek (Mundel, Peter)

Coelenterata: Corals of the St. Louis Limestone in the area of Calhoun County, Illinois and St. Louis County, Missouri (Collins, W. E.)

-- Noncystimorph colonial rugose corals of the Onesquethaw and lower Cazenovia stages (Lower and Middle Devonian) in New York and adjacent areas (Oliver, William A., Jr.)

-- Soft-bodied coelenterates in the Pennsylvanian of Illinois (Foster, Merrill W.)

collecting: Mini-spots perfect for Midwestern rockhounds (Mori, Joyce)

Conodonta: Naked species of *Gondolella* (Conodontophorida); their distribution, taxonomy, and evolutionary significance (von Bitter, Peter H.)

-- Stratigraphy and paleontology of the limestones in the Fithian Cyclothem (Filewicz, Mark V.)

Coprolites: Plant-bearing coprolites from North American Pennsylvanian coal balls (Baxendale, R. William)

Echinodermata: Fourier studies of shape in three early Chesterian populations of *Pentremites* (Cukrowicz, R. E.)

-- Relationships between morphology and habitat of fossil crinoids (Townsend, Margaret A.)

Insecta: Coal age fossils from Mazon Creek (Carpenter, F. M.)

Invertebrata: Mazon Creek fauna and flora; a hundred years of investigation (Nitecki, Matthew H.)

-- Megafossil benthic communities from the Lingle and St. Laurent limestones (Middle Devonian) of southern Illinois and southeastern Missouri (Fraunfelter, G. H.)

-- Replacement and structure in an Upper Pennsylvanian benthic community (Hickey, David R.)

-- Structure and composition of a Pennsylvanian benthic community (Hickey, D. R.)

Mammalia: The Chinese wolf, ancestor of New World dogs (Olsen, S. J.)

Mollusca: A reappraisal of *Tullimonstrum gregarium* (Foster, Merrill W.)

-- Gastropoda of the Essex fauna, Francis Creek Shale (Middle Pennsylvanian), northeastern Illinois (Schindel, David E.)

-- Middle Pennsylvanian (Desmoinesean) Cephalopoda of the Mazon Creek fauna, northeastern Illinois (Saunders, W. Bruce)

-- *Oreohelix strigosa cooperi* (Binney) in the Midwest Pleistocene (Frest, Terrence J.)

-- Polyplacophoran molluscs of the Essex fauna (Middle Pennsylvanian, Illinois) (Yochelson, Ellis L.)

Pisces: "Fish" remains from the Platteville Limestone (Fraunfelter, George H.)

-- Fishes of the Mazon Creek fauna (Bardack, David)

-- New Chondrichthyes from the Mazon Creek fauna (Pennsylvanian) of Illinois (Zangerl, Rainer)

Trilobita: Distribution and community succession of Silurian trilobites (Thornton Reef, Illinois) (Mikulic, Donald G.)

paleontology--history

collections: Mazon Creek fauna and flora; a hundred years of investigation (Nitecki, Matthew H.)

Paleozoic see also under stratigraphy

palynomorphs--megaspores

Pennsylvanian: An ultrastructural and taxonomic study of *Valvisporites auritus* (Zerndt) Bhardwaj, a lycopsid megaspore from the Middle Pennsylvanian of southern Illinois (Gastaldo, Robert A.)

-- *Valvisporites auritus* (Zerndt) Bhardwaj from the Anna Shale Member, Carbondale Formation, Kewanee Group, southern Illinois (Gastaldo, R. A.)

palynomorphs--miospores

Pennsylvanian: Morphology and ultrastructure of four Pennsylvanian prepollen types (Millay, Michael A.)

Quaternary: Late Quaternary vegetational history of Illinois (King, James E.)

paragenesis--fluorspar

Fluid-inclusion homogenization temperatures throughout the sequence of mineral deposition in the Cave-in-Rock area, southern Illinois (Cunningham, C. G.)

Mississippian: Corals of the St. Louis Limestone in the area of Calhoun County, Illinois and St. Louis County, Missouri (Collins, W. E.)
- paleoecology--Conodonts**
Pennsylvanian: Conodonts in the bank to basin transition of the La Salle Limestone, Pennsylvanian (Missourian) of northern Illinois; Merrill and Martin revisited (Merrill, Glen K.)
- paleoecology--Invertebrata**
Devonian: Megafossil benthic communities from the Lingle and St. Laurent limestones (Middle Devonian) of southern Illinois and southeastern Missouri (Fraunfelter, G. H.)
Pennsylvanian: Replacement and structure in an Upper Pennsylvanian benthic community (Hickey, David R.)
-- Structure and composition of a Pennsylvanian benthic community (Hickey, D. R.)
- paleoecology--Mississippian**
Paleochannel across Loudon Anticline, Fayette County, Illinois; its relation to stratigraphic entrapment of petroleum in the Cypress Sandstone (Cluff, Robert M.)
- paleoecology--palynomorphs**
Quaternary: Late Quaternary vegetational history of Illinois (King, James E.)
- paleoecology--Pennsylvanian**
Depositional environment of the Livingston Limestone Member of the Bond Formation near Fairmount, Vermilion County, Illinois (Gager, Barry R.)
-- Glacial eustatic models for black-shale-bearing Pennsylvanian cyclothems of Midcontinent and Illinois (Heckel, P. H.)
-- Life at Mazon Creek (Richardson, Eugene S., Jr.)
-- Stratigraphy and paleontology of the limestones in the Fithian Cyclothem (Filewicz, Mark V.)
-- The Mazon Creek depositional event; examination of Francis Creek and analogous facies in the Midcontinent region (Baird, Gordon C.)
Midcontinent: Glacial eustatic models for black-shale-bearing Pennsylvanian cyclothems of Midcontinent and Illinois (Heckel, P. H.)
- paleoecology--Plantae**
Pennsylvanian: Paleogeomorphology affecting Early Pennsylvanian floras in Rock Island County, Illinois (Leary, Richard Lee)
- paleoecology--Pleistocene**
A Farmdalian pollen diagram from East-central Iowa (Van Zant, K. L.)
- paleoecology--Silurian**
North America: Paleogeological structure in Early Silurian platform seas of the North American Midcontinent (Johnson, M. E.)
- paleoecology--Trilobita**
Silurian: Distribution and community succession of Silurian trilobites (Thornton Reef, Illinois) (Mikulic, Donald G.)
- paleogeography--Carboniferous**
Sandstone depositional systems in the Carboniferous of East-central Illinois and West-central Indiana (Klein, George deVries)

mineralogy

carbonates: Mineralogical study of an unnamed barium calcium carbonate from the Cave-in-Rock District, Illinois (Roberts, A. C.)

minerals--carbonates

calcite: A stable isotope study on the origin of permineralized peat zones in the Herrin Coal (Anderson, Thomas F.)

new minerals: Mineralogical study of an unnamed barium calcium carbonate from the Cave-in-Rock District, Illinois (Roberts, A. C.)

siderite: The occurrence and origin of siderite concretions in the Francis Creek Shale (Pennsylvanian) of northeastern Illinois (Woodland, Bertram G.)

minerals--sheet silicates, clay minerals

analytical methods: The influence of the dispersion method on peak intensity of kaolinite, montmorillonite and illite clay standards (Huang, S. L.)

chemical composition: Chemical analyses of western Illinois clay materials (White, W. Arthur)

illite: Fithian underclay (Eberl, Dennis D.)

-- Thermodynamics of exchange in clays; nickel-exchange on Na- and Mg-illites (Bansal, O. P.)

minerals--sulfides

galena: Lead isotope identification of sources of galena from some prehistoric Indian sites in Ontario, Canada (Farquhar, R. M.)

mining geology--evaluation

coal: Worth of geophysical and geological data and mineral supply (Attanasi, E. D.)

mining geology--methods

long-wall mining: Longwall coal mining; geotechnical analysis proves it's feasible (Conroy, Peter J.)

roof control: Subsidence-control project in the Belleville-Maryville area, Illinois (Paone, J.)

mining geology--practice

coal: Hydrogeologic aspects of coal mining in Illinois; an overview (Cartwright, Keros)

mining geology--production control

partings: Seelyville Coal; major unexploited seam in Illinois (Treworgy, Colin G.)

roof control: Investigation of roof shales in Illinois coal mines (Conroy, Peter J.)

Mississippi Valley--areal geology

guidebook: Stratigraphy of the Mississippian stratotype; Upper Mississippi Valley, U.S.A. (Collinson, Charles)

Mississippi Valley--economic geology

lead-zinc deposits: Lead isotope identification of sources of galena from some prehistoric Indian sites in Ontario, Canada (Farquhar, R. M.)

Mississippi Valley--environmental geology

reclamation: Acid leaching of metals and trace elements from sulfide-bearing coal waste in southwestern Illinois (Edkins, J. E.)

Mississippi Valley--geomorphology

maps: Joseph Nicollet and his map (Bray, Martha Coleman)

Mississippi Valley--seismology

earthquakes: Central Mississippi Valley earthquakes; 1978 (Stauder, W.)

Mississippi Valley--stratigraphy

Silurian: Paleoeological structure in Early Silurian platform seas of the North American Midcontinent (Johnson, M. E.)

Mississippi Valley--tectonophysics

plate tectonics: Crustal seismic studies related to the northeast extension of the New Madrid seismic zone (Baldwin, J. L.)

Mississippian see also under stratigraphy

Mollusca--Cephalopoda

Pennsylvanian: Middle Pennsylvanian (Desmoinesan) Cephalopoda

of the Mazon Creek fauna, northeastern Illinois (Saunders, W. Bruce)

Mollusca--Gastropoda

Pennsylvanian: A reappraisal of *Tullimonstrum gregarium* (Foster, Merrill W.)

-- Gastropoda of the Essex fauna, Francis Creek Shale (Middle Pennsylvanian), northeastern Illinois (Schindel, David E.)

Pleistocene: *Oreohelix strigosa cooperi* (Binney) in the Midwest Pleistocene (Frest, Terrence J.)

Mollusca--Polyplacophora

Pennsylvanian: Polyplacophoran molluscs of the Essex fauna (Middle Pennsylvanian, Illinois) (Yochelson, Ellis L.)

museums--paleobotany

Illinois State Museum: Leaves and stems from fossil forests; a handbook of the paleobotanical collections in the Illinois State Museum (Janssen, Raymond E.)

natural gas see also under economic geology

nickel--geochemistry

thermodynamic properties: Thermodynamics of exchange in clays; nickel-exchange on Na- and Mg-illites (Bansal, O. P.)

North America see also Great Lakes

North America--paleontology

Arthropoda: Systematics and functional morphology of *Amynilyspes* (Arthropoda: Diplopoda) from the Carboniferous of North America (Hannibal, J. T.)

North America--stratigraphy

Silurian: Paleoeological structure in Early Silurian platform seas of the North American Midcontinent (Johnson, M. E.)

Northern Hemisphere see also North America

oil and gas fields see also under economic geology

Ordovician see also under stratigraphy

organic materials--abundance

sedimentary rocks: Organophosphorites in Carboniferous rocks of central United States (Merrill, Glen K.)
shale: Petrology and maturation of dispersed organic matter in the New

isotopes--hydrogen

tritium: Anisotropic ground-water movement and tritium migration in glacial drift beneath a low-level radioactive waste burial site, Argonne, Illinois (Olimpio, Julio C.)

isotopes--lead

ratios: Lead isotope identification of sources of galena from some prehistoric Indian sites in Ontario, Canada (Farquhar, R. M.)

isotopes--minerals

calcite: A stable isotope study on the origin of permineralized peat zones in the Herrin Coal (Anderson, Thomas F.)

isotopes--strontium

Sr-87/Sr-86: Contrasts in $^{87}\text{Sr}/^{86}\text{Sr}$ ratios in mississippi valley-type gangue minerals in NW Ohio and Illinois-Kentucky (Kessen, Karen M.)

karst see under solution

features under geomorphology

land use see also under

environmental geology

lead--isotopes

ratios: Lead isotope identification of sources of galena from some prehistoric Indian sites in Ontario, Canada (Farquhar, R. M.)

limestone see also under

carbonate rocks under sedimentary rocks

limestone deposits see also under economic geology**lineation see also structural analysis****magmas see also intrusions****magnesium--abundance**

sedimentary rocks: Subsurface variation in the high-calcium Dolbee Creek Limestone in western Illinois (Cloos, Mark)

magnetic surveys see under

geophysical surveys

Mammalia--Carnivora

Cenozoic: The Chinese wolf, ancestor of New World dogs (Olsen, S. J.)

manganese--abundance

pollution: Technical and economic review of control methods for total dissolved solids, sulfates, chlorides, iron and manganese (Huff, Linda L.)

manganese--geochemistry

soils: Fixation of manganese by clay minerals (Reddy, M. R.)

maps see also under areal

geology; engineering geology; environmental geology; geophysical surveys; hydrogeology; see also under geomorphology under Mississippi Valley

mathematical geology see also

automatic data processing

meetings see symposia**metal ores see also under**

economic geology

metamorphic rocks see also

metamorphism

metamorphism--regional**metamorphism**

high-grade metamorphism: A model of intracratonic basin formation, entailing deep crustal metamorphism (Middleton, M. F.)

Midwest--economic geology**fuel resources:**

Developments in East-Central States in 1979 (Nosow, Edmund)

water resources:

Stratigraphic definition and areal distribution of sand and gravel aquifers, East-central Illinois (Morse, Walter J.)

Midwest--environmental geology

pollution: Hydrogeology of a low-level radioactive-waste disposal site near Sheffield, Illinois (Erickson, J. R.)

Midwest--paleontology

collecting: Mini-spots perfect for Midwestern rockhounds (Mori, Joyce)

Mollusca: Oreohelix

strigosa cooperi (Binney) in the Midwest Pleistocene (Frest, Terrence J.)

Midwest--sedimentary petrology**sedimentary rocks:**

Organophosphorites in Carboniferous rocks of central United States (Merrill, Glen K.)

Midwest--seismology

crust: Crustal seismic studies related to the northeast extension of the New Madrid seismic zone (Baldwin, J. L.)

mineral deposits, .**genesis--fluorspar****ore-forming fluids:**

Fluid-inclusion homogenization temperatures throughout the sequence of mineral deposition in the

Cave-in-Rock area, southern Illinois (Cunningham, C. G.)

mineral deposits,**genesis--lead-zinc deposits**

mississippi valley-type: Contrasts in $^{87}\text{Sr}/^{86}\text{Sr}$ ratios in mississippi valley-type gangue minerals in NW Ohio and Illinois-Kentucky (Kessen, Karen M.)

mineral**exploration--geobotanical methods**

trace elements: The biogeochemistry of trace element uptake in plants and soils as an indicator of fluorspar deposits (Trudick, Lee S.)

mineral**exploration--geophysical methods**

methods: Aerial gamma ray and magnetic survey, Racine and Grand Rapids quadrangles, Wisconsin, Illinois, and Michigan; final report (EG&G Geometrics)

uranium ores: Aerial gamma ray and magnetic survey, Chicago Quadrangle, Indiana, Illinois, and Michigan; final report (EG&G Geometrics)

-- Aerial gamma ray and magnetic survey, Danville Quadrangle, Indiana and Illinois; final report (EG&G Geometrics)

-- Aerial gamma ray and magnetic survey, Davenport Quadrangle, Iowa and Illinois; final report (EG&G Geometrics)

-- Aerial gamma ray and magnetic survey, Dubuque Quadrangle, Iowa, Illinois and Wisconsin; final report (EG&G Geometrics)

-- Aerial gamma ray and magnetic survey, Indianapolis Quadrangle, Indiana and Illinois; final report (EG&G Geometrics)

-- Aerial gamma ray and magnetic survey, Vincennes Quadrangle, Indiana, Illinois, and Kentucky; final report (EG&G Geometrics)

- Petrology and maturation of dispersed organic matter in the New Albany Shale Group of the Illinois Basin (Barrows, M.)
- Scanning electron microscope studies of samples from the New Albany Shale Group (Barrows, M. H.)
- oil and gas fields*: The magnetic anomaly associated with the structure of Omaha oil field, Illinois (Sparlin, Mark A.)
- peat*: Sand and gravel and peat resources in northeastern Illinois (Masters, John M.)
- petroleum*: Catalog of Devonian and deeper tests

Coelenterata--Rugosa

Devonian: Noncystimorph colonial rugose corals of the Onesquethaw and lower Cazenovia stages (Lower and Middle Devonian) in New York and adjacent areas (Oliver, William A., Jr.)

-- St. Laurent vs. Lingle (Fraunfelter, George H.)

concretions *see under* secondary structures *under* sedimentary structures

congresses *see* symposia

Conodonta--biogeography

Carboniferous: Naked species of Gondolella (Conodontophorida); their distribution, taxonomy, and evolutionary significance (von Bitter, Peter H.)

Conodonta--paleoecology

biofacies: Conodonts in the bank to basin transition of the La Salle Limestone, Pennsylvanian (Missourian) of northern Illinois; Merrill and Martin revisited (Merrill, Glen K.)

conodonts--biostratigraphy

assemblages: Conodonts from the Livingston and Shoal Creek limestones, Vermilion County, Illinois (Merrill, Glen K.)

Carboniferous: A summary of Chesterian (Carboniferous) conodonts from the Illinois Basin, USA (Horowitz, A. S.)

Pennsylvanian: Conodonts from the Livingston and Shoal Creek limestones, Vermilion County, Illinois (Merrill, Glen K.)

-- Origin of Lonsdale "conglomerates" in northwestern and eastern Illinois (Merrill, Glen K.)

-- Stratigraphy and paleontology of the limestones in the Fithian Cyclothem (Filewicz, Mark V.)

coprolites--faunal studies

Pennsylvanian: Plant-bearing coprolites from North American Pennsylvanian coal balls (Baxendale, R. William)

corals--biostratigraphy

Devonian: Noncystimorph colonial rugose corals of the Onesquethaw and lower Cazenovia stages (Lower and Middle Devonian) in

New York and adjacent areas (Oliver, William A., Jr.)

cross-bedding *see under* planar bedding structures *under* sedimentary structures

crust *see also under* tectonophysics; *see also under* seismology *under* Midwest

crystal chemistry *see also* minerals

crystal growth *see also* minerals

crystal structure *see also* minerals

crystallography *see also* mineralogy

deformation *see also* structural analysis

deuterium *see also* tritium

Devonian *see also under* stratigraphy

diagenesis *see also* sedimentation

diagenesis--dolomitization *environment:* Mississippian non-supratidal dolomite, Ste. Genevieve Limestone, Illinois Basin; evidence for mixed-water dolomitization (Choquette, Philip W.)

diagenesis--effects

porosity: Oomoldic porosity experimentally developed in Mississippian oolitic limestone (Donath, Fred A.)

-- Porosity evolution of Niagaran Thornton Reef, northeastern Illinois (McGovney, J. E.)

diagenesis--materials

carbonate rocks: Carbonate microfacies and depositional environments of the Kinkaid Formation (Upper Mississippian) of the Illinois Basin (Lasemi, Y.)

coal balls: A stable isotope study on the origin of permineralized peat zones in the Herrin Coal (Anderson, Thomas F.)

organic materials: Relation of depositional facies and history to hydrocarbon generation in New Albany Shale Group (Devonian-Mississippian) of Illinois (Cluff, R. M.)

sedimentary rocks: The occurrence and origin of siderite concretions in the Francis Creek Shale (Pennsylvanian) of northeastern Illinois (Woodland, Bertram G.)

diagenesis--mechanism

deposition: Origin of Lonsdale "conglomerates" in northwestern and eastern Illinois (Merrill, Glen K.)

diagenesis--processes

cementation: Evidence of soft-sediment cementation enclosing Mazon plant fossils (Schopf, James M.)

recrystallization:

Depositional environment of the Livingston Limestone Member of the Bond Formation near Fairmount, Vermilion County, Illinois (Gager, Barry R.)

diastrophism *see* orogeny

dolomitization *see under* diagenesis

dolostone *see also under* carbonate rocks *under* sedimentary rocks

earthquakes *see also*

engineering geology; seismology; *see also under* seismology *under* Mississippi Valley

Echinodermata--Blastoidea

Mississippian: Fourier studies of shape in three early Chesterian populations of Pentremites (Cukrowicz, R. E.)

Echinodermata--Crinoidea

Paleozoic: Relationships between morphology and habitat of fossil crinoids (Townsend, Margaret A.)

Echinodermata--occurrence

collecting: Mini-spots perfect for Midwestern rockhounds (Mori, Joyce)

economic geology

bibliography: Industrial minerals publications of the Illinois State Geological Survey through December 1978 (Lamar, J. E.)

clays: Chemical analyses of western Illinois clay materials (White, W. Arthur)

-- Stratigraphy and mineral resources of Pennsylvanian strata in Vermilion County, Illinois (Jacobsen, Russell J.)

coal: Coal & Illinois industry; the impact of the National Energy Acts of 1978; conference proceedings (Anonymous)

-- Illinois mineral industry in 1977 and review of preliminary mineral production data

barium--geochemistry

sediments: Geochemistry of Recent Lake Michigan sediments (Cahill, Richard A.)

bibliography *see also under* economic geology; general; paleobotany

biogeography--Coelenterata

Devonian: Noncystimorph colonial rugose corals of the Onesquethaw and lower Cazenovia stages (Lower and Middle Devonian) in New York and adjacent areas (Oliver, William A., Jr.)

biogeography--palyonomorphs

Quaternary: Late Quaternary vegetational history of Illinois (King, James E.)

biography--general

Nicollet, Joseph: Joseph Nicollet and his map (Bray, Martha Coleman)

Brachiopoda--Articulata

Silurian: Paleoeological structure in Early Silurian platform seas of the North American Midcontinent (Johnson, M. E.)

Brachiopoda--occurrence

collecting: Mini-spots perfect for Midwestern rockhounds (Mori, Joyce)

Brachiopoda--paleoecology

communities: Megafossil benthic communities from the Lingle and St. Laurent limestones (Middle Devonian) of southern Illinois and southeastern Missouri (Fraunfelter, G. H.)

Brachiopoda--Strophomenida

Pennsylvanian: Brachiopods of the suborder Strophomenidina from the Shumway Cyclothem, Mattoon Formation, Virgilian of Illinois (Scheiing, Mark H.)

brachiopods--biostratigraphy

Carboniferous: The Mazon Creek biotas in the context of a Carboniferous faunal continuum (Schram, Frederick R.)

Pennsylvanian: Brachiopods of the suborder Strophomenidina from the Shumway Cyclothem, Mattoon Formation, Virgilian of Illinois (Scheiing, Mark H.)

Bryozoa--paleoecology

assemblages: Bryozoan assemblages and inferred ecologic succession in the

Warsaw Formation (middle Valmeyeran), western Illinois Basin (Snyder, Edward M.)

cadmium--geochemistry

coal: The abundance of zinc and cadmium in sphalerite-bearing coals in Illinois (Cobb, J. C.)

calcite *see also under*

carbonates *under* minerals

calcium--abundance

sedimentary rocks:

Subsurface variation in the high-calcium Dolbee Creek Limestone in western Illinois (Cloos, Mark)

Cambrian *see also under*

stratigraphy

Canada *see also* Great Lakes

carbon--abundance

sedimentary rocks:

Organophosphorites in Carboniferous rocks of central United States (Merrill, Glen K.)

carbon--isotopes

C-13/C-12: A stable isotope study on the origin of permineralized peat zones in the Herrin Coal (Anderson, Thomas F.)

carbonate rocks *see under*

sedimentary rocks

carbonates *see under* minerals

Carboniferous *see also under*

stratigraphy; *see also under* stratigraphy *under* automatic data processing

catalogs--economic geology

petroleum: Catalog of Devonian and deeper tests in central Illinois (Stevenson, David L.)

-- Catalog of Devonian and deeper tests in southern Illinois (Stevenson, David L.)

caves *see under* solution

features *under* geomorphology

clastic rocks *see under*

sedimentary rocks

clastic sediments *see under*

sediments

clay mineralogy--areal studies

Chemical analyses of western Illinois clay materials (White, W. Arthur)

-- Fithian underclay (Eberl, Dennis D.)

-- Mineralogy of the clay-and silt-size fractions of the St. Peter Sandstone from the subsurface in northern Illinois (Willand, T. N.)

-- Status of the Kellerville Till Member in western Illinois (Wickham, Jerry T.)

-- The Glasford Formation of western Illinois (Lineback, Jerry A.)

Lake Michigan: Geochemistry of Recent Lake Michigan sediments (Cahill, Richard A.)

clay mineralogy--experimental studies

analytical methods: The influence of the dispersion method on peak intensity of kaolinite, montmorillonite and illite clay standards (Huang, S. L.)

geochemistry: Fixation of manganese by clay minerals (Reddy, M. R.)

clay mineralogy--mineral data

illite: Thermodynamics of exchange in clays; nickel-exchange on Na- and Mg-illites (Bansal, O. P.)

clays *see also under* economic geology

coal *see also under* economic geology; geochemistry; *see also under* economic geology *under* symposia; *see also under* organic residues *under* sedimentary rocks

coal--resources

evaluation: Geostatistical approach in coal resource estimation (Fang, J. H.)

Coelenterata--Anthozoa

Devonian: Megafossil benthic communities from the Lingle and St. Laurent limestones (Middle Devonian) of southern Illinois and southeastern Missouri (Fraunfelter, G. H.)

Mississippian: Corals of the St. Louis Limestone in the area of Calhoun County, Illinois and St. Louis County, Missouri (Collins, W. E.)

Silurian: Paleoeological structure in Early Silurian platform seas of the North American Midcontinent (Johnson, M. E.)

Coelenterata--faunal studies

Pennsylvanian: Soft-bodied coelenterates in the Pennsylvanian of Illinois (Foster, Merrill W.)

Coelenterata--occurrence

chemically precipitated rocks: Mini-spots perfect for Midwestern rockhounds (Mori, Joyce)

 - Depositional environment of the Livingston Limestone Member of the Bond Formation near Fairmount, Vermilion County, Illinois (Gager, Barry R.)
 - Environments within a typical Pennsylvanian cyclothem (Wright, Cynthia Roseman)
 - Glacial eustatic models for black-shale-bearing Pennsylvanian cyclothem of Midcontinent and Illinois (Heckel, P. H.)
 - High diversity and stratigraphic age of the Mazon Creek flora (Pfefferkorn, Hermann W.)
 - Illinois Basin region (Wanless, Harold R.)
 - Life at Mazon Creek (Richardson, Eugene S., Jr.)
 - Lithology and fossil distribution, Francis Creek Shale in northeastern Illinois (Baird, Gordon C.)
 - Mazon Creek fossils (Nitecki, Matthew H.)
 - Pennsylvanian sedimentation in northern Illinois; examination of delta models (Shabica, Charles Wright)
 - Roadlogs, Tenth annual field conference, Great Lakes Section, Society of Economic Paleontologists and Mineralogists (Langenheim, Ralph L., Jr.)
 - Stratigraphy and mineral resources of Pennsylvanian strata in Vermilion County, Illinois (Jacobsen, Russell J.)
 - Stratigraphy and paleontology of the limestones in the Fithian Cyclothem (Filewicz, Mark V.)

- Subsurface geology of the upper Tradewater and lower Carbondale groups in South-central Saline County, Illinois (Siegal, Sherman M.)
- The Mazon Creek depositional event; examination of Francis Creek and analogous facies in the Midcontinent region (Baird, Gordon C.)
- The occurrence and origin of siderite concretions in the Francis Creek Shale (Pennsylvanian) of northeastern Illinois (Woodland, Bertram G.)
- The Seelyville Coal; a major unexploited seam in Illinois (Treworgy, Colin G.)
- Phanerozoic*: Limestone resources of Adams and Brown counties, Illinois (Goodwin, Jonathan H.)
- Pleistocene*: A Farmdalian pollen diagram from East-central Iowa (Van Zant, K. L.)
- Illinoian and pre-Illinoian stratigraphy of Southeast Iowa and adjacent Illinois (Hallberg, George R.)
- Physical and mineralogical variations in the Yorkville Till Member, Grundy and adjacent counties, Illinois (Killey, Myrna M.)
- Pre-Wisconsinan stratigraphy in a portion of the Pecatonica River valley, Wisconsin and Illinois (Whittecarr, G. Richard)
- Status of the Kellerville Till Member in western Illinois (Wickham, Jerry T.)
- Status of till stratigraphy within the Illinoian Stage in Illinois (Lineback, Jerry A.)
- Stratigraphic definition and areal distribution of sand and gravel aquifers, East-central Illinois (Morse, Walter J.)
- Stratigraphy and regional distribution of Illinoian and pre-Illinoian deposits of East-central Illinois (Kempston, John P.)
- The Glasford Formation of western Illinois (Lineback, Jerry A.)
- The Illinoian glacial boundary in western Illinois (Wickham, Jerry T.)
- Till stratigraphy of the Vandalia-Effingham-Marshall region of east central Illinois (Kettles, Inez)
- Quaternary*: Late Quaternary vegetational history of Illinois (King, James E.)
- Pre-Wisconsinan till stratigraphy in the Avon, Canton, Galesburg, and Maquon 15-minute quadrangles, western Illinois (Fleeger, Gary Mark)
- Quaternary geology of East-central Illinois and West-central Indiana (Johnson, W. Hilton)
- Silurian*: Paleogeological structure in Early Silurian platform seas of the North American Midcontinent (Johnson, M. E.)
- strontium--isotopes**
Sr-87/Sr-86: Contrasts in $^{87}\text{Sr}/^{86}\text{Sr}$ ratios in Mississippi valley-type gangue minerals in NW Ohio and Illinois-Kentucky (Kessen, Karen M.)
- structural analysis** *see also* folds
- structural analysis--folds**
recumbent folds: Microfabrics of a recumbent fold in cross-bedded sandstones (Yagishita, K.)
- structural analysis--lineation**
petrofabrics: Scanning electron microscope studies of samples from the New Albany Shale Group (Barrows, M. H.)
- structural geology**
faults: A field guide to the Plum River fault zone in east central Iowa (Ludvigson, Greg A.)
- The Rend Lake fault system in southern Illinois (Keys, John N.)
- structural analysis*: Microfabrics of a recumbent fold in cross-bedded sandstones (Yagishita, K.)
- tectonics*: Gravity and tectonic analysis of the northwestern Illinois Zinc-lead district (Van Brahana, John)
- Structural framework of the Mississippi Embayment of southern Illinois; annual progress report for fiscal year 1980 (Kolata, D. R.)
- Tectonic implications of the lineament pattern in the Mississippi Embayment (O'Leary, D. W.)
- The Wabash Valley fault system in southeastern Illinois (Bristol, Hubert M.)
- structural petrology** *see* structural analysis
- sulfides** *see under* minerals
- sulfur--geochemistry**
coal: Removal of organic sulfur by low-temperature carbonization of Illinois coals (Krusse, C. W.)
- sulphur** *see* sulfur
- survey organizations--annual report**
Illinois State Geological Survey: Illinois mineral industry in 1978 and review of preliminary mineral production data for 1979 (Samson, Irma)
- survey organizations--research**
Illinois State Geological Survey: Industrial minerals publications of the Illinois State Geological Survey through December 1978 (Lamar, J. E.)
- symposia--economic geology**
coal: Coal & Illinois industry; the impact of the National Energy Acts of 1978; conference proceedings (Anonymous)
- symposia--environmental geology**
reclamation: Proceedings of a Conference on restoring man-made lakes in Illinois (Anonymous)
- symposia--paleontology**
fossils: Mazon Creek fossils (Nitecki, Matthew H.)
- tectonics** *see also* faults; folds; orogeny; structural analysis; structural geology
- tectonophysics**
crust: A crustal seismic refraction study in southwestern Indiana and southern Illinois (Baldwin, James L.)
- plate tectonics*: A model of intracratonic basin formation, entailing deep crustal metamorphism (Middleton, M. F.)

- thorium ores *see also under*
economic geology
- trace elements *see under*
geochemistry; *see under*
geobotanical methods *under*

Great Lakes
- Trilobita--paleoecology
Silurian: Distribution and
community succession of
Silurian trilobites
(Thornton Reef, Illinois)
(Mikulic, Donald G.)
- tritium--geochemistry
ground water: Anisotropic
ground-water movement and
tritium migration in
glacial drift beneath a
low-level radioactive
waste burial site,
Argonne, Illinois
(Olimpio, Julio C.)
- tunnels *see also under*
engineering geology
- underground installations *see*
also under engineering
geology
- underground water *see* ground
water
- uranium--isotopes
U-233: Characteristics of
wastes and soils affecting
transport of radionuclides
through the soil and their
relationship to waste
management; annual report
FY '79 (Fowler, Eric B.)
- uranium ores *see also under*
economic geology
- Vertebrata *see also* Agnatha;
Amphibia; coprolites;
Mammalia; Pisces
- Vertebrata--faunal studies
Pennsylvanian: Mazon Creek
fossils (Nitecki, Matthew
H.)
- waste disposal *see also under*
engineering geology;
environmental geology
- Water *see also* ground water;
hydrogeology; hydrology
- water resources *see also under*
economic geology; *see also*
under economic geology *under*
Midwest
- waterways *see also under*
engineering geology
- waterways--rivers and streams
hydrographs: A
representation of an
instantaneous unit
hydrograph from
geomorphology (Gupta,
Vijay K.)
- well--logging--applications
permeability: Fracture
identification in Devonian
shales using conventional
well logs (McCoy, R. L.)
- Western Hemisphere *see also*
North America
- worms--biostratigraphy
Carboniferous: The Mazon
Creek biotas in the
context of a Carboniferous
faunal continuum (Schram,
Frederick R.)
- zinc--geochemistry
coal: The abundance of zinc
and cadmium in
sphalerite-bearing coals
in Illinois (Cobb, J. C.)

INTENTIONAL BLANK PAGE

BIBLIOGRAPHY AND INDEX OF ILLINOIS GEOLOGY

COUNTY INDEX

Adams County

- Cloos, Mark. Subsurface variation in the high-calcium Dolbee Creek Limestone in western Illinois
- Goodwin, J. H. High-calcium, high-reflectance limestone resources of Illinois
- Goodwin, Jonathan H. Limestone resources of Adams and Brown counties, Illinois
- White, W. Arthur. Chemical analyses of western Illinois clay materials
- Wickham, Jerry T. Status of the Kellerville Till Member in western Illinois
- Wickham, Jerry T. The Illinoian glacial boundary in western Illinois

Alexander County

- Goodwin, J. H. High-calcium, high-reflectance limestone resources of Illinois
- Kolata, D. R. Structural framework of the Mississippi Embayment of southern Illinois; annual progress report for fiscal year 1980

Bond County

- Reed, Philip C. Electrical earth resistivity surveys near brine holding ponds in Illinois

Boone County

- Mori, Joyce. Mini-spots perfect for Midwestern rockhounds

Brown County

- Goodwin, Jonathan H. Limestone resources of Adams and Brown counties, Illinois
- Mori, Joyce. Mini-spots perfect for Midwestern rockhounds
- White, W. Arthur. Chemical analyses of western Illinois clay materials
- Wickham, Jerry T. Status of the Kellerville Till Member

in western Illinois

Bureau County

- Erickson, J. R. Hydrogeology of a low-level radioactive-waste disposal site near Sheffield, Illinois
- Galdi, G. G. Survey study of low-level radioactive waste disposal sites
- Weiss, Allen J. Evaluation of isotope migration; land burial; water chemistry at commercially operated low-level radioactive waste disposal sites; status report through September 30, 1979

Calhoun County

- Gollins, W. E. Corals of the St. Louis Limestone in the area of Calhoun County, Illinois and St. Louis County, Missouri
- Goodwin, J. H. High-calcium, high-reflectance limestone resources of Illinois
- Heigold, P. C. A seismic refraction survey of the lower Illinois Valley bottomlands
- White, W. Arthur. Chemical analyses of western Illinois clay materials

Carroll County

- Johnson, Thomas M. Monitoring of leachate migration in the unsaturated zone in the vicinity of sanitary landfills

Cass County

- Heigold, P. C. A seismic refraction survey of the lower Illinois Valley bottomlands
- White, W. Arthur. Chemical analyses of western Illinois clay materials

Champaign County

- Jackson, Roscoe G., II. Sedimentology of the Vermilion River (Illinois and Indiana, U.S.A.) and its significance for lithofacies models of meandering alluvial streams
- Poole, Vickie L. Geophysical assessment of aquifers supplying ground water to eight small communities in Illinois

Christian County

- Reed, Philip C. Electrical earth resistivity surveys near brine holding ponds in Illinois

Clark County

- Kettles, Inez. Till stratigraphy of the Vandalia-Effingham-Marshall region of east central Illinois
- Leventhal, J. S. Comparative geochemistry of Devonian shale cores from the Appalachian Basin, Mason, Monongalia, and Upshur counties, West Virginia; Illinois Basin, Tazwell County, Illinois, and Clark County, Indiana; and Michigan Basin, Sanilac County, Michigan
- Treworgy, Colin G. Seelyville Coal; major unexploited seam in Illinois

Clay County

- Reed, Philip C. Electrical earth resistivity surveys near brine holding ponds in Illinois

Clinton County

- Ludvigson, Greg A. A field guide to the Plum River fault zone in east central Iowa

Coles County/Grundy County

Coles County

Popp, John T. Investigation of the gas content of coal seams in the vicinity of Charleston, Illinois

Cook County

Anonymous. Illinois portion; Guidebook for a field trip on Silurian reefs, interreef facies, and faunal zones of northern Indiana and northeastern Illinois

Berg, Richard C. Land resources for beach nourishment along the Illinois shore of Lake Michigan

McGovney, J. E. Porosity evolution of Niagaran Thornton Reef, northeastern Illinois

Mikulic, Donald G. Distribution and community succession of Silurian trilobites (Thornton Reef, Illinois)

Olimpio, J. C. Low-level radioactive waste burial at the Palos Forest Preserve, Illinois; Part I. Preliminary finite-difference models of steady state ground-water flow

Pray, Lloyd C. The Thornton Reef (Silurian), northeastern Illinois; a 1976 revisitation

Rao, A. Ramachandra. Time series modeling of Chicago particulates

Crawford County

Treworgy, Colin G. Seelyville Coal; major unexploited seam in Illinois

Cumberland County

Treworgy, Colin G. Seelyville Coal; major unexploited seam in Illinois

Du Page County

Berggren, D. A guide to the environmental geology of the Elmhurst-Naperville area, Du Page County, Illinois

Olimpio, J. C. Low-level radioactive waste burial at the Palos Forest Preserve, Illinois; Part I. Preliminary finite-difference models of steady state ground-water flow

Olimpio, Julio C. Anisotropic ground-water movement and tritium migration in glacial drift beneath a low-level

radioactive waste burial site, Argonne, Illinois

Edgar County

Treworgy, Colin G. Seelyville Coal; major unexploited seam in Illinois

Effingham County

Kettles, Inez. Till stratigraphy of the Vandalia-Effingham-Marshall region of east central Illinois

Reed, Philip C. Electrical earth resistivity surveys near brine holding ponds in Illinois

Scheihing, Mark H. Brachiopods of the suborder Strophomenidina from the Shumway Cyclothem, Mattoon Formation, Virgilian of Illinois

Fayette County

Cluff, Robert M. Paleochannel across Loudon Anticline, Fayette County, Illinois; its relation to stratigraphic entrapment of petroleum in the Cypress Sandstone

Kettles, Inez. Till stratigraphy of the Vandalia-Effingham-Marshall region of east central Illinois

Reed, Philip C. Electrical earth resistivity surveys near brine holding ponds in Illinois

Ford County

Jackson, Roscoe G., II. Sedimentology of the Vermilion River (Illinois and Indiana, U.S.A.) and its significance for lithofacies models of meandering alluvial streams

Franklin County

Keys, John N. The Rend Lake fault system in southern Illinois

Fulton County

Cloos, Mark. Subsurface variation in the high-calcium Dolbee Creek Limestone in western Illinois

Cobb, J. C. The abundance of zinc and cadmium in sphalerite-bearing coals in Illinois

Fleeger, Gary Mark. Pre-Wisconsinan till stratigraphy in the Avon,

Canton, Galesburg, and Maquon 15-minute quadrangles, western Illinois

Patterson, G. L. Mine-spoil hydrology

White, W. Arthur. Chemical analyses of western Illinois clay materials

Gallatin County

Hower, J. C. Petrographic variation in western Kentucky 11 coal seam

Sparlin, Mark A. The magnetic anomaly associated with the structure of Omaha oil field, Illinois

Greene County

Heigold, P. C. A seismic refraction survey of the lower Illinois Valley bottomlands

Jackson, Roscoe G., II. Lithofacies of fine-grained meandering streams developed on Pleistocene glaciolacustrine plains in Illinois, Indiana, and Wisconsin, U.S.A.

White, W. Arthur. Chemical analyses of western Illinois clay materials

Grundy County

Baird, Gordon C. Lithology and fossil distribution, Francis Creek Shale in northeastern Illinois

Hannibal, J. T. Systematics and functional morphology of Amynilyspes (Arthropoda: Diplopoda) from the Carboniferous of North America

Hannibal, Joseph T. Systematics and functional morphology of oniscomorph millipedes (Arthropoda: Diplopoda) from the Carboniferous of North America

Janssen, Raymond E. Leaves and stems from fossil forests; a handbook of the paleobotanical collections in the Illinois State Museum

Killey, Myrna M. Physical and mineralogical variations in the Yorkville Till Member, Grundy and adjacent counties, Illinois

Killey, Myrna Marie. Physical and mineralogical variations in the Yorkville Till Member, Grundy and adjacent counties, Illinois
